

Application Call for NMS Fellowships for MPhil and PhD Scholars

Dear Sir/Madam

Nepal Mathematical Society (NMS) is pleased to call for applications from all PhD scholars and MPhil students of mathematics registered at Nepali universities for NMS fellowships for the year 2024. The fellowship will support NRs. 50,000/- for PhD scholars and NRs. 25,000/- for MPhil students for some academic purposes like conference attendance/presentation or publications. The deadline for the submission of the application is April 23, 2024 (Baishakh 11, 2081). The following documents should be submitted to nepalmathsociety@gmail.com with proper file names in one zipped folder in order.

For PhD Scholars

1. Cover letter/Statement of purpose.
2. Official letter with the date of PhD enrolment.
3. Recommendation of the supervisor (only one page).
4. CV (signed; max. 3 pages).
5. Conference/Workshop/Seminar attendance and presentation with Certificates/schedule/abstract/presented poster (whatever is available as proof).
6. Published articles (international, national, proceedings, etc.).

a) National: maximum of 2 review/general, and 3 research.

b) International: maximum of 2 review/general, and 3 research.

7. Project reports: maximum of 1.

8. Scanned copy of the Certificate of completion of the coursework (for PhD scholars without MPhil).

9. Scanned copies of Academic transcripts/Mark-sheets (from Bachelor's to latest degree).

For MPhil Students

1. Cover letter/Statement of purpose.

2. CV (Signed; max. 2 pages).

3. Recommendation letter of the Head/Program coordinator with the date of enrolment.

4. Published articles (international, national, proceedings, *etc.*)

a. (maximum of 3 national and 2 international)

5. Scanned copies of Academic Transcripts/Mark-sheets (from Bachelor to latest degree/year).

Notes:

1. Delayed applications will not be valid for the announced fellowships.

2. There will be an evaluation committee for the selection of candidates.

3. The students who have received the same type of NMS Fellowship before are discouraged to apply.
4. Invoice of payment will not be considered as proof of enrollment.
5. For project reports, a copy of the completion of the letter from the concerned authority is also required.
6. Any missed documents will be considered invalid submissions.
7. The fellowships for Master's students based on the merits of semester-wise results will be announced later.
