

SEMINAR-WORKSHOP

March 26 – April 6, 2017

(DAAD PARTNERSHIP PROGRAM)

The Central Department of Mathematics announces a **Seminar-Workshop** on “*Graph Theory and Optimization with Applications in Industry and Society (Advanced Network Flows: Algorithms and Game Theoretic Views)*” with a DAAD partnership program (2016 - 2019) between the mathematics departments of TU Kaiserslautern, Germany, Mindanao State University - IIT, Philippines and Tribhuvan University.

There will be one “**DAAD information session**” to be conducted by DAAD represented from New Delhi and one “**special presentation**” in application of mathematics. All interested faculty members and students are invited to attend the “**special presentation**” and the “**DAAD information session**” at the given venue and time on **March 26, 2017**.

Resource Persons

Prof. Sven O. Krumke & Ms. Andrea Maier

Department of Mathematics, University of Kaiserslautern, Germany

Venue, Date & Time

- March 26 & April 6, 2017;

Opening Ceremony (Time: 11.30 – 12.30, Central Department of Mathematics)

DAAD Info Session: Ms. Shikha Sinha (**Time:** 12.45 – 13.45, Central Department of Statistics)

Special Presentation: Prof. Sven O. Krumke (**Time:** 14.00 – 16.00, Central Department of Mathematics)

- March 27-31 & April 3-5; **Time:** 08.00 – 16.00 (Hillside Hotel Resort, Kirtipur)
- March 6, 2017; **Time:** 011.00 – 12.00 (Central Department of Mathematics)

For any additional information, please contact the cooperation partner at TU Prof. Tanka Nath Dhamala (amb.dhamala@daadindia.org, mobile: 9841152490 or at Central Department of Mathematics.
